

## **The Turning - Mission to Wales**

Thank you so much for those who have been praying for the recent mission to Wales. It was an extraordinary time on the streets with 3351 people making a commitment or recommitment to Jesus over Wales as a whole.

Thank you to those willing to commit themselves to follow up. 96 people made commitment in Abergavenny between the Saturday and Wednesday, but none of these were from areas covered by our chapels.

It's hoped that outreach will continue and grow in the months ahead, and there are discussions for an outreach to Monmouth, which will surely impact our rural chapels.

The follow up discipleship is key to a longer term success of such a mission. When we were worshipping on Wednesday morning in Abergavenny one new believer was already doing their first follow up session in the cafe downstairs.

The script we were encouraged to work with was not liked by all, but in sticking to it the majority of us found much joy and results. The stories are marvellous and you are bound to hear me share some of these in the days ahead!

Time for a wee break now as I go cycling with 3 sisters and 1 brother-in-law over the next 3 days in the Cotswolds. A brief visit to Longtown on Sunday before a family holiday with Karen and Maddy next week.

## Time to Pray

"God does nothing but by prayer, and everything with it." John Wesley once said.

Are we satisfied with all we see in our chapels? In the midst of the glorious summer we are having do not neglect the wonderful privilege we have of praying.

Why not join us in:

**Norton Baptist** on Wednesday 9th August at 7pm or  
**Zoar Chapel, Pandy** on Friday 11th August at 12pm

Or shall we arrange a time of prayer at your chapel again, or for the first time? Contact me if you'd like to do that.

We live in exciting and challenging times in so many ways but it is great that He is alive and at work! And that there is a hunger out there waiting to be met.

**Blessings & Peace to you all**

**Ian**
