

## See I am doing a new thing!

During my induction service last year the following verse was read out : **See, I am doing a new thing! Now it springs up; do you not perceive it? (Isaiah 43:19). As I see the first snowdrops blooming I know we see these every spring, but each one is unique and new. What do you believe is the new thing He'd like to do in you, your chapel or in our area this new season? Ask Him! What is He saying to you? Showing you? Then do it!**

## Prayer times:

**Norton Baptist Chapel - 7pm, Wednesday 28th February**

**Raglan Baptist Chapel - 1:30pm, Saturday 27th January and 24th February**

**Zoar Chapel, Pandy - 11:30am, Tuesday 30th January and Noon, Tuesday 27th January**

## Men's Event 5th February

**On Monday 5th February I'd like to invite any men from our rural chapels to come to our home at 7pm for an evening together. Bring a bible (if you have one), and some room for cake and a drink! I'd like us to explore together some ideas of how we can encourage one another as disciples while considering opportunities for mission in the weeks and months ahead.**

**Future meetings, venues and times will depend on who is willing to continue with the opportunities set before us. I have some ideas to share, but what would you like to see?**

**RSVP so we can plan quantities of cake, confirm directions and I can make parking arrangements. And do invite others to come along too. Thank you!**

## **Testimony Booklet**

**When we got together before Christmas (in 3 groups) we discussed a number of possibilities for the future. One of these was a booklet of good news stories as told by those within our rural chapels. This is beginning to come together.**

**Do let me know if you want to be a part of this. Thank you to those who were keen to be involved with various initiatives. I will do a more detailed report on those soon.**

**Blessings & Peace**

**Ian**
