News

The Gap - Wales is a charity based in Newport, South Wales, working largely with refugees and asylum seekers, but with aspirations to develop services to provide support to other vulnerable people in one of the most disadvantaged areas in Wales. After a strategic review they are seeking to expand their board of trustees to enable a more diverse range of skills. In particular they are looking for people who have expertise in fundraising and human resources. You can find out more information about The Gap and our work at <https://thegap.wales/>

For an informal discussion about the role of trustee, or request the role description and application form, firstly contact Bob Jones at admin@thegap.wales Closing date is 31/01/2024.

Giving thanks and looking ahead

As we come towards the end of 2023 and the beginning of 2024, let's give thanks for God's provision for the many Christian ministries in Newport this year and pray for them as they continue to serve our city in the New Year.
